BLOOD PRESSURE CLINIC SCHEDULE

Pedicure Clinics

Pedicure clinics will be held at the Polk County Health Department the 1st and 3rd Wednesday of every month (as shown on the left side of this page). Please call the health department to make an appointment.

Blood Pressure Clinics

Clinics to monitor blood pressure will also be held at the Polk County Health Department in Osceola, every 1st and 3rd Wednesday from 9 a.m. to 3 p.m.

No appointment is necessary. Walk ins are welcome any day during office hours. Please call first to be sure a nurse is available.
